

## Wise Choices TOPS Membership Renewal Agreement

Yes, I am interested in renewing my membership in the Take Off Pounds Sensibly (TOPS) Club.

- I agree to attend at least 12 meetings during the first 6 months.
- I understand a voucher will be mailed to me to cover the cost of a one-year membership renewal. The membership voucher will have my name on it, and I am the only person who can use it.
- I understand the local chapter dues (about \$5/month) are my responsibility to pay. (Renewal memberships **are not** eligible for \$15 gift cards for attending 6 meetings in a 3-month period.)
- **I give permission for the local TOPS Club to share information about my attendance at meetings and changes in my weight with the Wise Choices program.**
- This authorization will expire one year from the date I sign it.
